Dear **Moh. Khairudin, M.T, Ph.D**

Universiti Pendidikan Sultan Idris is supportive of the research proposal prepared by Dr. Arasinah Kamis entitled Using the SCAMPER Technique for Multimedia Asset Creation to Improve Creative Expression and Creative-Thinking Skills in Fashion Design. Dr. Arasinah Kamis of Universiti Pendidikan Sultan Idris will serve as principal investigator for collaborative research work with Dr. Widiastuti from Universitas Negeri Yogyakarta Indonesia.

Universiti Pendidikan Sultan Idris will commit to this project, along with a budget as approved by our administration. Universiti Pendidikan Sultan Idris will provide the fund of RM 8,700.00 (30 juta rupiah) for a research period of one (1) year. We are also understand the requirement to establish a mutual agreement (MoA) between the parties involved prior to the approval of the grant.

We look forward to working with UPSI on this research collaboration.

Thank you.

“UNIVERSITY NO.1 EDUCATION”

Yours sincerely,

(ASSOCIATE PROFESSOR DR. TAJUL SHUHAIZAM SAID)
Director of Research Management and Innovation Centre
Sultan Idris Education University
