**Dean Faculty of Educational Studies  
Universiti Putra Malaysia

Dear Sir/Madam,

Greeting from Universitas Negeri Yogyakarta!

On behalf of Universitas Negeri Yogyakarta (UNY), I would like to express our warmest greeting while hoping you are always in great health. UNY has entered into various collaborative arrangements with other universities in Asia and others.

Some initiate collaborations have been done intensively with Universiti Putra Malaysia (UPM) since 2019. The Head Department of Doctoral Program in Educational Research and Evaluation, Prof. Dr. Kartowagiran and Dr. Siti Salina Binti Mustakim have planed some agenda that will be realized this year. Those agendas are in line with the international priority program in the Graduate School of UNY that strongly supports visiting professors (inbound and outbound), credit transfer, international joint research, and supervisor exchange program.

In this regard, I would like to invite your Faculty to have a mutual collaborative program with the Graduate School of UNY. We propose some activities that will be conducted both in UPM and UNY as follow:

**Visiting Professor Program**

1. Prof. Dr. Aminuddin, Senior Lecturer of Faculty of Educational Studies will be invited as a visiting professor to UNY on March 19 and 26, 2021 as well as on April 1 and 9, 2021.
2. Prof. Dr. Samsul Hadi, Senior Lecturer of Graduate School UNY will be invited as a visiting professor to UPM on April 12, 19, and 16 April 2021 as well as on Mei 3, 2021.

**Credit Transfer Program**

Ph.D. students will be joined a course of the Qualitative Research Model for 16 meetings in UPM. UNY will pay around Rp 2,000,000 or RM 568.76 for each of the meetings; @100 minutes.

**International Joint Research Program**

The Department of Doctoral Program in Educational Research and Evaluation is currently compiling a proposal and immediately submit it to the university. If our proposal is accepted,

then the UNY-UPM international research collaboration can be conducted, if it is not accepted then this international research collaboration cannot be implemented.

**Supervisor Exchange Program**

The Department of Doctoral Program in Educational Research and Evaluation proposes Prof. Dr. Badrun Kartowagiran to be a supervisor in UPM. We enclose Prof. Kartowagiran's CV for your consideration. We also propose Prof. Aminuddin be a supervisor at UNY.

I hope those programs can be realized this year and our collaboration will be fruitful and advantageous for both institutions. We are waiting for your confirmation and would be very grateful for your response.

We are looking forward to hearing from you.

Sincerely yours
